

G H Patel College of Engineering & Technology
Gujarat Technological University
Mid Semester Remedial Examination
2160701 - Software Engineering
Time: 9.00 A.M. TO 10.15 A.M.

Date: 01-04-2016

Max. Marks: 20

- (a) Define Software Engineering. Draw and explain Software Engineering layers. [5]**
Explain incremental model for system development. Differentiate it with [5]
spiral model.

OR

Write and explain briefly possible reasons for project failure. [5]

- (a) Describe FOUR Ps for Project Management and explain any THREE in detail. [5]**
Define module coupling and cohesion. Explain different types of coupling [5]
and cohesion.

OR

- 2(a) Describe process of requirement engineering in detail. [5]**
b) Explain the process model which is used in situations where the [5]
requirements are well defined.
